MEET YOUR COACH, *Christina Jandali*

“Love what you do, get paid what you’re worth and still have time for the rest of your life”

I’m a confidence boosting, cash creating Business Growth Strategist for coaches, consultants and course creators who want to start, grow and scale an impact driven company..

I started my business from ground zero while on maternity leave from my corporate job. Within 10 months I crossed my first 6-figures...and handed in my resignation. Woo hoo!

But truth was... I’d get a few clients here and there and then nothing, a dry spell. I’d stress about where my next paying clients would come from and it took a toll on my family.

Once I learned a predictable cashflow strategy my business flew past 7-figures (hello scalability) and I was able to work with my dream clients.

Now I’m on a mission to help 1000 entrepreneurs become millionaires! Will you be one of them?
